

## RESULTS OF THE TRIAL EXAM.

Overall, you guys did great. There were a few people who did not submit an answer sheet (0 points) and there were a few who did not follow the directions in some way (2 points).

The current plan is to have an exam on April 22. It will cover the material from Chapter 3. It will, as discussed in a previous posting, consist of multiple choice and short answer items. There will likely be more questions than you will be able to finish. That is by design. Work as many as you are able, as accurately as you are able. You will likely not finish all items. Again, that is by design. I am taking that into account as I score it. **DON'T STRESS OVER IT.** Re-watch the videos and work the assignments, and you should be in good shape.

Here are the "Solutions" for the Trial Test (or, as a couple people spelled it, "Trail Test"):

1. C  $2+1=3$
2. A THE KANSAS CITY CHIEFS
3. B  $600 > 2$
4. E THE KANSAS CITY CHIEFS WON THE SUPER BOWL THIS YEAR
5. THE KANSAS CITY CHIEFS (ALSO ACCEPTABLE: THE WORLD CHAMPION KANSAS CITY CHIEFS)

Here are the points:
