

Math Blog url and Finding the Online Math tutors

To work with tutors online in Webex, you will need to go to the LSC Math blog url. After you have read (and possibly printed) this page of instructions, Right click on the blog url you see here, select the “Copy url” option and Copy and Paste (CTRL-V) this url into your browser to begin:

www.lonestar.edu/blogs/lsc-northharrismath

When you arrive at the above LSC-North Harris Math Department blog url, choose the “**Virtual Tutoring**” button and you will be able to see the Virtual Tutoring Information:

Math Virtual Tutoring

Welcome! The LSC-North Harris campus may be closed, but the Math Achievement Center (MAC) is still here to help! Our outstanding MAC tutors will be glad to assist you in your online math class.

Each MAC tutor has a WebEx Personal Room, so they can visit with you virtually.

Once you have reached the **Math Blog**, click on the **Virtual Tutoring** button and look for the link “**Tutoring Schedule with Webex Information**”. When you click on that link, you will see the list of tutors, each with the url for that MAC tutor’s Webex Personal Room, along with his Webex Meeting Number (so you can join by phone). Each tutor’s scheduled tutoring days and hours are also listed, along with the courses the tutor can help you with.

Note: The tutors are only available during the times they are scheduled. Please do not visit their Personal Rooms outside of their scheduled times.

Once you are on the **Virtual Tutoring** page, look there for the list of weekdays and **click on the day of the week**. You will see the schedule that includes each tutor’s tutoring time for that day, and you will also see the url that will take you to each tutor’s WebEx Personal Room along with their Meeting Numbers (so that you can join by phone):
