

Email addresses for the classes.

I have set up an individual yahoo email account for each of the classes. The addresses are:

Trigonometry Class Sections:

Monday: [egleymath1316.1107mon@yahoo.com](mailto:egleymath1316.1107mon@yahoo.com)

Tuesday: [egleymath1316.1201tue@yahoo.com](mailto:egleymath1316.1201tue@yahoo.com)

You should use this email address for all communication regarding the class. PLEASE DO NOT use my faculty "...@lonestar.edu address.

Also, (and this is a general rule which would apply even in the most ordinary of semesters) be sure to include in your email your name, course, and section. If you don't I'll likely just reply asking for it, and we've just lost time getting a reply to you.
