

I. Go to D2L and click on your section (although for this, it really doesn't matter which).

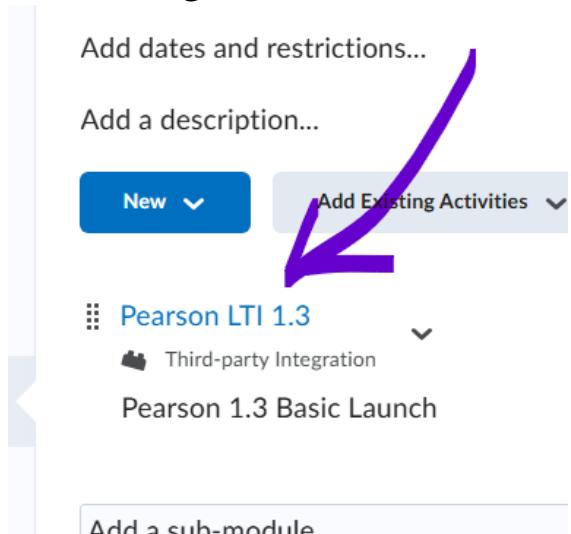

II. Near the top center, click on 'Content'.

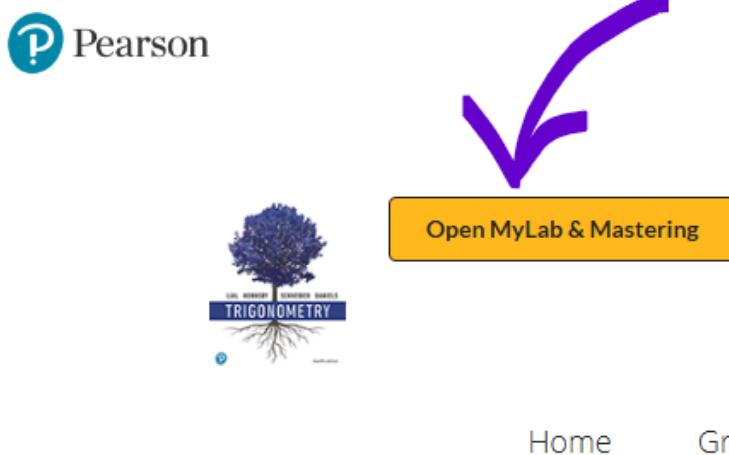

MATH-1316 1201 1 Trigonometry

III. Bang in the middle of the page click on 'Pearson' LTI 1.3

III. At the top center click on 'Open MyLab & Mastering'

V. On the left of the screen click 'eText Contents'

The image shows the 'Course Home' page of MyLab Math. On the left, a sidebar menu includes links for 'Manage Course', 'Course Home' (which is highlighted in light blue), 'Assignments', 'Student Gradebook' (with a purple arrow pointing to it), 'eText Contents', 'Study Plan', 'Video & Resource Library', and 'Accessible Resources'. The main content area shows course information for 'Math 1316 1' and links for 'Instructor', 'We', 'Manage', and 'Gr'.

VI. Either:

A. Click 'View the eText for your course'

## eText Contents

- ▶ View the [eText](#) for your course.

*To access your eText on a tablet or mobile device, download the "Pearson eText" app.*

- ▶ View the [accessible eText](#) for your course.

### MyLab Math Resources to Help You:

- ▶ [How do I enter answers?](#)
- ▶ [MyLab Math Student Help/Support](#)
- ▶ [Course Information](#)
- ▶ Work through [orientation questions](#) to learn how to enter answers,

Or:

B. Select the Section from the menu on the left.

#### Student Gradebook
