I 'Know' (?):

… that this is a piece of white paper

… that the statements like "It is raining" and "It is not raining"
     cannot both be both true (at the same time, in the same sense).

… that 2 plus 2 equals 4.

… that it is a "sun-shiny" day today.

… that all crows are black

…that there is no greatest even number

…that my table is composed of atoms

… that I existed yesterday.

… that the sun will rise tomorrow

… that my foot is / is not itching.

… that George Washington was the first President of the United States

… that there is no Santa Claus

…that 'God' exists / that 'God' does not exist
