

Course-page Videos: In addition to the videos available in the Multimedia Library of MyMathLab, the course-page contains a limited list of video links, as well.

Participation/Attendance: ***If you are not signed-up for the MyMathLab version of the class by Monday, July 20th, the Official Day of Record (ODR), you will be dropped from the class and you may lose financial eligibility for the semester. Any financial aid funds disbursed to you or your account must be returned to the U.S. Department of Education.***

Homework: The 10 Homeworks will be done in MyMathlab. All the help buttons are activated, and you have an unlimited number of attempts until the due date. The e-version of the textbook is linked to the MyMathlab course-page, and the page has a full list of videos in the Multimedia Library, as well. **When you register for the MyMathLab course, use your name that is recognized by the school!** If you opted for the Star Bundle, then you will access MyMathLab using the Course Materials link in the D2L course-page. If you didn't opt for the Star Bundle, then you will go directly to MyMathLab. **You are expected to solve the Homework problems without the aid of the internet or artificial intelligence. Perfect Homework scores with impossibly short completion times may be rejected!**

Activities: The 20 Activities are available in both pdf and Word format on the course-page, <http://apps.lonestar.edu/blogs/pehorton/math-0232online/>, and the electronic submission of their solutions can be accomplished using any of the following three methods:

1. You may edit/fill-in the Word file and attach it to an email addressed to my email address, Peter.W.Horton@lonestar.edu.
2. You may edit/fill-in the pdf file and attach it to an email addressed to my email address, Peter.W.Horton@lonestar.edu.
3. You may print the file, work it on the printout, convert it to pdf using an app like camscanner, and attach it to an email addressed to my email address, Peter.W.Horton@lonestar.edu.

Whichever method you use, make sure that you **attach** the Activity as a Word or pdf file directly to the email. **Don't** embed the Activity file or image of the activity in the body of the email or send a link to a third party. You need to send a copy of your email submissions to your own in-box, so you can see what I'm getting and verify that your submission was actually sent. **All communication and submissions must be from your school email address.**

You also have the option of submitting a paper version of the Activities in-person to me.

Maintaining a Safe Environment for Students Under 18:

Lone Star College North Harris participates in dual-credit programs including early college programs. These programs typically serve high school students, which means some of the students on our campus may be under eighteen years old. This is a reminder that all rights and privileges of college students are extended to dual-credit or early college students, regardless of age. This is also a reminder that in Texas persons under the age of seventeen cannot provide effective consent to sexual conduct with an adult. For more information, or to report any such behavior, please visit the College's Sexual Assault Prevention webpage.

The Learning Environment, Ethics, and Student Code of Conduct

Lone Star College-North Harris is privileged that you have chosen our campus to attend college. We are here to provide you with a positive and safe learning atmosphere where you can focus on your higher education goals. Our number one priority is student success.

We have high expectations of our students and believe we have created an environment that includes superior faculty, beautiful campus grounds, unparalleled student services and excellent academic resources. However, to be successful you have to do your part as a college student.

Faculty members have full authority to set reasonable standards of conduct that are acceptable in their classrooms. These include, but are not limited to the following:

• **ACADEMIC DISHONESTY**

Cheating, stealing, misuse of educational materials, and plagiarism are all examples of academic dishonesty and will not be tolerated. College students are expected to maintain a high code of ethics.

• **USE OF PERSONAL TECHNOLOGY DEVICES IN CLASSROOMS**

Unless otherwise given permission by your instructor, **all cell phones and laptop computers must be turned off and placed out of sight.** Personal electronic devices of any kind are not allowed once class has begun.

• **BEHAVIOR**

Use of inappropriate language and/or profanity **will not be tolerated.** Disrespectful verbal or physical acts toward faculty or classmates **will not be tolerated.**

• **DRESS CODE**

Students are expected to dress and groom themselves in an appropriate manner while on campus or while participating in activities sponsored by the college. **Display of personal undergarments, lingerie, pajamas, provocative dress or clothing with vulgar language or subject matter is not appropriate attire for a college environment.**

Violations of this code of conduct at LSC-North Harris may result in disciplinary action, including dismissal from the college.

LSCS Board Policy is available at: **LoneStar.edu/Student-Responsibilities**

LSCS student code of conduct can be found in the LSCS Student Guide at:
