

Welcome to the MAC

Hello everyone to the new semester.

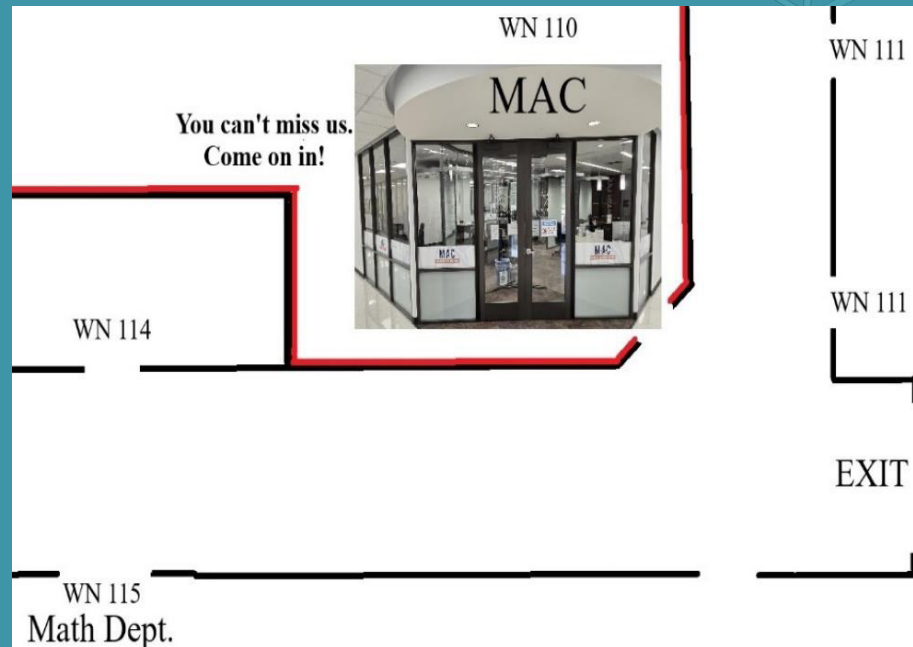

We want to welcome you to come to the MAC - Math Achievement Center. If you ever need help in your math class or want a place to study, then please come on by. To find more info please use the QR code to the left.

Located in **WINSHIP-110**

MATH TUTORS
No Appointment Needed
MATH COMPUTER ACCESS

View the full Schedule (and updates)
plus **Course Resources** at the
LSC-NH Math Department blog:

Important Notes:

- WC Online North Harris account is needed to sign in and make appointments. We also accept walk-ins but we still need you to have an account to record data. You can register to WC Online using the QR to your right. (Only for new users!)
- Make sure to bring your notes/reviews/material so we know what way your professor does the work.
- We help with HW, reviews and any questions related to your math class. The tutor's job is not to teach you but to help you understand it.
- We DO NOT help on tests or quizzes unless the professor provides permission.
- NO FOOD or DRINK in the MAC. NO DRINKS with LIDS.
- No small children in the MAC as this is a study environment!

Registration

Hope to see you here!
