3. Nothing may be taped, glued, or attached in any manner to the either side of the card.
4. You will not be allowed to use a magnifying glass or microscope, so don't make your writing too small.

6. If your cheat sheet doesn't conform to the official rules, you will not be allowed to use it.
7. You must turn in your cheat sheet with your completed exam, and do not expect that the cheat sheet will be returned to you.
